Dear Mr Mood

**ACCREDITATION NO 20681 - OSCORP ENGINEERING PTY LTD
SITE NO 24799 - PAVEMENT LASER PROFILE TESTING FACILITY**

Thank you for your final submission 6 September 2021, provided in response to the Initial Assessment conducted at the above facility on 13 August 2021. All of the non-conformances raised in the report on the Initial Assessment have now been satisfactorily addressed. I am pleased to inform you that the accreditation of your facility has been **granted**.

Accreditation is for a period as defined in the Sixth schedule of the NATA Rules, being continued in accordance with Regulation R.32. Continuance of accreditation is dependent on adherence to the current NATA General Accreditation Criteria, NATA Specific Accreditation Criteria and the NATA Rules.

As previously advised and as detailed in the current Fee Schedule, this Initial Assessment is a chargeable activity. Each invoice can be identified by the job number 81450.

The certificate of accreditation of your facility is enclosed.

Scope of Accreditation

Your current scope of accreditation will be available on the NATA website within one business day of this letter.

Membership fees

A pro-rata invoice will be forwarded to cover the annual fees as discussed at the assessment.

Next Visit Type

Your facility is next scheduled for a Surveillance visit in February 2023.

Endorsement of Reports

Reports covering work undertaken since 1 November 2021 under the scope of this accreditation may now be endorsed in accordance with the Regulations of NATA (those relating to reports are R.26 and R.27).

We encourage you to apply the [NATA endorsement](#) to your reports whenever possible. This will enhance the standing of your facility with your clients and help to promote increased recognition of accreditation and NATA throughout the community. If you have any queries about the most appropriate means of reproducing the NATA endorsement or material for advertising your NATA accreditation, please contact NATA Communications on 1800 621 666.

Reports issued by your facility may also include the Accredited CAB Combined ILAC MRA Mark. To apply for the Mark, please contact NATA's Quality Manager in our Melbourne office.

Authorised Representative

Your rights and responsibilities as your facility's Authorised Representative are stated in the Association's Rules. I take this opportunity to remind you that you are our point of contact with your organisation and hence our source of formal advice regarding your organisation. As Authorised Representative you have a number of important responsibilities and obligations which are outlined in [General Accreditation Criteria: Responsibilities of authorised representatives](#), available at the NATA website.

NATA also enters into agreements with other parties. Where NATA has an agreement with or from the Commonwealth or a State Government or where the Association is engaged in accreditation in conjunction with or on behalf of one or more other Stakeholders, NATA may pass information otherwise privileged under the NATA Rules, to the party concerned. Additionally, agreements may contain other obligations/undertaking of NATA which may have an impact on your facility.

A full [listing of agreements with other parties](#) and the obligations/undertakings placed on NATA by the agreement in question can be viewed on the NATA website www.nata.com.au. You should be aware that the contents of one or more of these agreements may be relevant to your accreditation(s).

On behalf of NATA, I take this opportunity to thank you and your staff for the cooperation and hospitality during the recent assessment at your facility. If you have any queries with the information contained in this letter please contact your client coordinator Jan Findlay at our Brisbane office.

I welcome you as a member of NATA and invite you to participate in our activities.

Yours sincerely

A handwritten signature in black ink, appearing to be 'J. Evans'.
